Dear Colleague

5th May 2009

## **SPORTSCOTLAND INVESTMENT 2010**

I am delighted to inform you that ABS Ltd has been successful in securing investment from sportscotland for the year to 30 April 2010

ABS Ltd has been awarded £345,000 which represents a significant increase from last year's investment figure of £175,000. This demonstrates an increased level of commitment from sportscotland that will assist ABS Ltd in reaching its strategic goals.

This increased level of investment is a strong indicator of the progress ABS Ltd has made since it received a no assurance rating in its Fit for Purpose Audit in March 2008.

I would like to thank all the ABS team and sportscotland's Heather Lowden and Fraser Walker for their continued help and support.

This is the first step of many to give our Boxers and our Members the very best we can.

I thanks you in advance for your continued supprt.

For and On Behalf of ABS Ltd

Richard Thomas  
Chief Excecutive Officer
